DR. BLEDSOE'S ALTERATIVE COMPOUND he Remedy over all Remedies for the Diseases of the Liver Dyspepsia, Enlargement and Inflamation of the Spleen Hearthurns, Colis Flataleuce, Piles, Constropation, all. diseases of the Bawels, and such diseases as arise from a disorderd state of the Stomach, Liver or Bowels, as Scrofula and Sores of any kind. For General Debility, from which Ladies frequently suffer, there is not its equal in the whole Materia Medics.

HE inventor of this preparation was for three years s completely prostrated from Dyspepsia and inactivity of the Liver that he was frequently for weeks at a time unable to raise himself from his bed. He sought aid from physicians at home and in Europe, but in vain; his case was pronounced hopeless by thousands, and it was by accident that he succeeded in curing himself. Since he has been practicing medicine, his success in such cases has been unrivalled. He has been aware of the incredulity of the public, and consequently said nothing through the press of his own case, until the character of the medicine was fully established by its success, as shown by the certificates which have been

I subjoin the certifier le of Prof. M. GABBERT, of Memphis, Tenn., with whom I often advised during the time of my Mempuis, Tenn., April 17, 1852. I hereby certify that I have been acquainted with Jr. J. N. Bledsoe and some years ago be was reduced I televe lower than I have ever seen any one that afterwards recovered, with what I supposed to be Dyspepsia and Liver affection, and after trying the prescriptions of many Physicians in this as well as other countries, without relief, he finally succeded

with a preparation of his own in being restored to good health.

M. GABBERT, M. D. Physicians are requested to try this preparation. We feel satisfied it will sustain the character we give to it in this

publics.con. Henrymae, January 12, 1852. Da. Bigison: - I take the liberty and fell it to be my duty to recommend to all persons suffering from disease of the stomach and bowels, your Alterative Compound, as a very seperior medicine. My son, aged 15 years, had been unde medical treatment about five years for dyspepsia and diar BENJAMIN F. SHIELDS & CO., having per-manently located themselves at New Orleans, offer their rhea-when having almost despaired of his recovery, I concluded to try your Alterative, two bottles of which, I believe entirely cured him. . .

MUNISVILLE, Oct. 17, 1852. Dr. Bledsor:—Some time has ciapsed since I gave a cer tificate that my wife had been greatly benefited by your Alterative Compound. I now take pleasure in saving to the public, that my wife had for three or four years been subject to the worst kind of spells of cramp in the stomach from dyspepsia. I had tried of several whom I thought to be the best physicians in the place and a great many differen medicines, with momentary relief. Being persuaded to try your afterative compound, I did so—and I am happy to say that it has entirely cured her; and I would conscientional recommend it to all persons suffering from diseases of the N. B. ROBERTSON. liver and dyspepsia.

HUNTSVILLE, Sept. 29, 1851. Dr. Bledson-Having seen the publication of your Alterative Compound, I think it my duty to say to the public, that I had been for years subject to spells of Gramp Colic, in its worst form; that I had tried almost every thing that is given by physicians, and never found any thing that would cer-tainly refleve me, until I tried the above medicine, which has relieved me in every attack in less than an hour.

GILES COUNTY, Tenn., Dec. 23, 1851. DR. BLEDSOE: I feel that I should fall short of my duty to you and to those who are afflicted, were I not to further recommend your Alterative Compound. It has entirely relieved me, so that I have not had cause to take anything in two months. I can eat anything I want with impunity, and believe my health is as good as it ever is at my advanced age, Should I ever suffer from dyspepsia again I shall be sure to call on you. I am very respectfully your friend. ELIZABETH J. HARWOOD.

HUNTSVILLE, Ala., August 24, 1851. This is to certify, that I had suffered for many years with Dyspepsia and Diseases of the Liver. Physician after Physician had prescribed for me without my receiving any ber efit, when I commenced the use of Dr. Bledsoe's Alterative Compound, which cured me soundly, and I recommend it because of the same happy effect upon others of my acquaint ance.

JOSEPH CAROTHERS.

HUNTSVILLE, Ala., March 8, 1852. Dr. Bledson: - Sin: Judging from the certificates you have already advertised, it will be almost unnecessary for me to add further evidence in regard to the healing virtues of your Compound; but I ainst say, that for years 1 suffered a great deal from Dyspepsia and enlargement of the spicen, and thought that I never would recover. I commenced taking your compound about mue weeks since, and have gained 25 or 50 pounds, and feel about as well as I ever did.

THE UNION OF TWO FOND HEARTS!

Haughtily Rejected. O NE bright, glorious morn, as Jupiter indolently reclined in his palace on Olympus, the Goddess Diam entered, Her beauteous face wreathed in smiles more bewitching than the song of the "Cumacan Sibel," and seating herself on the knee of the indulgent God, she besonght him to grant her permission to lead a Life of perpetual Verginaly?

Her compliant Sire assented to that unnatural request, and instead of the SILKEN BONES OF WEDLOCK, we find the charming Goddess choosing the insipid life of a spotless Virgin, and in the musculine pleasures of the chase, imagining more transport than in the raptures of commubal bli s. "Her Heaven-ly Form too hamphilly she Prized." And strangely enough preferred the exploit of catching the deer "with horns of God that fell at the foot of Mount Parrhasics, on the flowery banks of the dark public Anadras" to a state of

"Domestic happiness, the only bliss Of Paradise, that survived the fall." Such a choice, although supported by the prestige of the Goddess Diana, the public is fully assured, is entirely anti-podal to the inclinations of The Eruly Fortunate and Far-
